MEMORANDUM FOR: Deputy Director/Plans

THROUGH : Deputy Director/Intelligence

SUBJECT : Requests [REDACTED] for Information Concerning U. S. Railroads 25X1C

25X1A

2. The gist of the matter presented in the attached papers is that [REDACTED] has for a number of years received a large number of requests for information from addresses near [REDACTED] 25X1C  
Many of these requests are from the town of [REDACTED] which has insufficient contact with railroads to justify a high normal curiosity in railroad matters. [REDACTED] normally receives scattered requests for information but usually is able to verify the requestors' legitimate interest in the matter. In this case, however, the requests are much more numerous, come from a small area, and come from persons whose explanation for their interest seems to lack adequate justification. 25X1C

3. Should you be interested in pursuing this matter further, [REDACTED] would be most happy to be of assistance to you. He is fully cleared.
